Safety + Connection + Creativity

= Opportunities for success

How do I create safety for
Volunteers?

What does consistency look like?

What are the expectations my
volunteers have? Is it the same for all?

Are the expectations clear?

How do I create connection for
Volunteers?

What ways do you connect now?

Why do you connect?

How do you foster creativity from mentors?

How do you use the experience of your volunteers to create change and strive for excellence?

Encourage, lift and strengthen
one another.

For the positive energy spread
to one will be felt by us all!

The idea of "Flash Cards" for activities was a great idea raised. Here is some I completed and how they relate to the Buckets.
