Background on the Kimberley Aboriginal Women's Council

National Level: Coalition of Peaks

The Partnership Agreement on Closing the Gap is between Australian governments and the Coalition of Peaks (the Parties). It sets out how the Parties work together on Closing the Gap. Here's how it works:

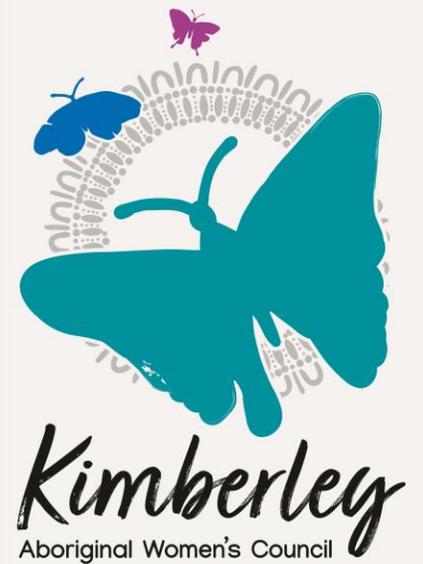

State Level: Council of Aboriginal Services WA (CASWA)

Background

- In alignment with Priority Reform Two of the National Agreement, the WA Government committed to sector strengthening activities through commissioning AHCWA to establish a new peak body to represent the Aboriginal community-controlled sector in WA. Through extensive consultation with the WA ACCO sector, a name was settled on for the peak body: the Council of Aboriginal Services Western Australia (CASWA).
- The Council of Aboriginal Services WA (CASWA) was registered as a Public Company Limited by Guarantee on 16 March 2023.
- The aim of CASWA is to strengthen and increase the capacity of WA ACCOs involved in service delivery to Aboriginal people in WA across priority sectors identified under the National Agreement.
