

## National Volunteer Week Celebration Event Grants Guidelines & Terms and Conditions

National Volunteer Week 2020 grants provide an opportunity for volunteer involving organisations in metropolitan, regional and remote WA to hold an event and participate in the annual national celebration of Australia's extraordinary volunteers.

We strongly encourage organisations who have not been the recipient of a National Volunteer Week grant before to apply, as well as those in regional/remote areas.

Funding may be used for event promotion and publicity, National Volunteer Week merchandise, transport, hire of equipment and/or venue, entertainment (e.g. hiring a band), food or non-alcoholic beverages and small recognition gifts.

Funding is not available for normal operational costs such as uniforms, training material or IT equipment. Project management costs should be covered by the organisation as a contribution towards the event.

National Volunteer Week 2020 grants will be allocated on the basis of:-

- The grant being used during National Volunteer Week from 18-24 May 2020
- Preference for activities involving partnerships between local volunteer organisations and activities that strongly promote National Volunteer Week and volunteering to the local community
- The applicant operates in Western Australia and the event will be held in WA
- Confirmation that the conditions of funding will be met.

### Categories

**Category 1** - Single organisations may submit one application for up to \$1000.

**Category 2** - Large organisations with multiple branches may choose to submit one application covering up to five locations. This can include one location NOR Perth metro, one location SOR Perth metro and up to three regional locations that are more than 50km apart. The large organisation can apply for up to \$500 per branch taking part, up to a maximum of \$2500 if five branches take part.

**Category 3** - Multiple organisations. One lead organisation may collaborate with up to four other local organisations to hold a large joint community event. The lead organisation agrees to

collate all the information, submit the application, manage all financial aspects of the event and complete the acquittal process on behalf of the others. The lead organisation can apply for up to \$1000 per organisation taking part, up to a maximum of \$5000 if five organisations take part. It is expected that the event taking place in this category would be a large event open to all local community members, with a strong emphasis on promoting National Volunteer Week and volunteering.
