

Product and service menu

Consultancy service:

VWA's expert management and staff are available to visit organisations on a direct hourly consultation basis.

- Rates range from \$75 - \$150 per hour inc. GST dependent upon consultant required.

Guest Speaking:

VWA's management and staff bear valuable expertise in fields as varied as strategic networking, effective volunteer referral principles, crucial training for the volunteer management sector, mentoring for success to effective advocacy, placing them in demand as frequent guest speakers at various events. Gain benefit from their knowledge at your next event.

- From \$300 inc. GST per speaker, per engagement

Event volunteer management:

We have capacity at certain times to take on volunteer management for events that utilise large numbers of volunteers. This can include recruitment, screening, training, orientation, scheduling, management on the day(s), debrief, evaluation and recognition. Please contact us to discuss your requirements and receive a quote.

Corporate volunteering placements

Our experienced team works with businesses to identify how they can get involved in volunteer activities. This involves assistance with volunteer policy development, good practice management, risk analysis, evaluation, assessment of employee interests/participation levels, and organisation of successful volunteer days to suit any sized group. Skills-based volunteering is also available.

- Visit <http://www.corporatevolunteers.org.au/> for more information

Volunteering opportunities search widget

The search widget is a great feature to have on your website. Prices start at \$500 per year for a small not for profit and \$5000 per year for corporate groups and government agencies.

- Visit <http://whitelabel.govolunteer.com.au> for more information

Free online resources:

A range of free resources, including a sample volunteer manual, are available on our website.
