National Volunteer Week Grants, supported by Lotterywest

Volunteering WA, with generous support from Lotterywest, is offering volunteer involving organisations across Western Australia the opportunity to apply for a grant to organise an event or activity which recognises and thanks volunteers during National Volunteer Week (Monday 18 - Sunday 24 May 2026).

We strongly encourage organisations that have not been the recipient of a National Volunteer Week grant before to apply, as well as those in regional/remote WA.

Funding may be used for event promotion and publicity, National Volunteer Week merchandise, transport, hire of equipment and/or venue, entertainment (e.g. hiring a band), food or **non-alcoholic** beverages and small recognition gifts.

Funding is not available for normal operational costs such as uniforms, training material or IT equipment. Project management costs should be covered by the organisation as a contribution towards the activity.

To be eligible for a grant, your organisation:

- Must be a not-for-profit organisation or a local government authority.
- Be a volunteer-involving organisation.
- Operate in Western Australia.
- Have an ABN.
- Have a bank account in the organisation's name.

National Volunteer Week 2026 grants will be allocated on the basis of:

- The grant being used during National Volunteer Week, Monday 18 – Sunday 24 May 2026 to celebrate and recognise volunteering.
- Preference for activities involving partnerships between local volunteer organisations and activities that strongly promote National Volunteer Week and volunteering to the local community.
- The applicant operates in Western Australia and the activity will be held in WA.
- Confirmation that the conditions of funding will be met.
- Applications with in-kind support or matched funding will be looked upon favourably.
- The activity demonstrates value for money with a reasonable cost of approximately \$40 per person depending on region, activity and exposure.

Grant Categories

Category 1 – Single organisations may submit one application for up to \$1,500.

Category 2 – Large organisations with multiple branches may choose to submit one application covering up to five (5) locations. This can include one (1) location NOR Perth metro, one (1) location SOR Perth metro and up to three (3) regional locations that are more than 50km apart. The large organisation can apply for up to \$500 per branch taking part, up to a maximum of \$2,500 if five (5) branches take part.

If you are a branch of a large organisation, we ask you please check with your Head Office first to coordinate and clarify who will submit the application on behalf of your organisation.

Category 3 – Multiple organisations: One (1) lead organisation may collaborate with up to four (4) other local organisations to hold a large joint community event. Each organisation must provide a confirmation letter on their own letterhead to confirm their intention to work together (a template is provided on the Volunteering WA website for use) as part of the application process.

The lead organisation agrees to collate all the information, submit the application, manage all financial aspects of the event and complete the acquittal process on behalf of the others. The lead organisation can apply for up to \$1,000 per organisation taking part, up to a maximum of \$5,000 if five (5) organisations take part.
